

# SUMMER HOLIDAY ASSIGNMENT (2023-24)

## CLASS - I

Dear parents,

Kindly follow these suggestions to make learning fun:

- Try to take up a summer activity. Spend time doing yoga, exercise, meditation etc. for mental health and physical fitness.
- Go for walks with your family. You will realize you have two of the greatest gifts of the life..... NATURE & your FAMILY.
- Maintain reasonable bedtimes: With no school to get up for in the morning, follow a regular bedtime schedule and start your day bright eyed!
- Encourage your ward to converse in English at home.
- Motivate them to read story books.
- Limit their screen time to one hour. Avoid video games instead learn to play interesting games like Scrabble, Pictionary, Chess, etc.

- Enhance self-responsibility: Make your bed and clean your room daily.
- Save Trees to Save Earth: Do you know mango trees are evergreen and give fresh air i.e. oxygen to us throughout the year. We all enjoy eating mangoes in summers. So why don't we use the seed to plant a tree? Plant a tree yourself and encourage your neighbours and friends to do the same.
