

SUMMER HOLIDAY ASSIGNMENT (2024-25)

CLASS – II

Dear parents,

Vacation is a welcome break!

Summer vacations are synonymous with fun, frolic, getting up late, playing for long hours and watching fun filled shows on television.

There is a lot more we can do to make these vacations more interesting.

GUIDELINES TO MAKE SUMMER BREAKS MORE FRUITFUL

- Play games like scrabble, chess, atlas and word building.
- Assign a permanent workplace and a work-time for your child. This encourages discipline.
- Inculcate good manners- four magic words: PLEASE, THANKYOU, EXCUSE ME, SORRY- use them and see the difference.
- Encourage the child to help around the housework and do small household jobs like dusting, watering the plants, laying dinner table etc.
- Guide the child to keep his room and things clean and well organised.
- Motivate your child to take up yoga and any other form of healthy activity.
- As much as possible, try to converse in English with your child.
- Encourage your child to read books and children magazines’.
- Parents are requested to just guide the children to complete the task on their own.
