Renewal of School Transport

Date: 07-03-2022

Dear Parent,

Hope you all are safe and sound.

During pandemic, together we have sailed through a tough journey, crossed every hurdle and kept the education going with your constant support and care.

As per the directions of Delhi Government the school will reopen for all classes in offline/Physical mode from session 2022-2023. The need for a safe commutation of children to school and back home is of prime concern to us. To ensure safe travel and to ease your burden school is going to renew the transportation facility from upcoming session. Every effort will be made to ensure sanitization of school bus/van at regular intervals.

To renew / avail the transport facilities, you are requested to fill the google form, using the link,
